for Historic Preservation

4th Annual

Saturday, September 26, 2009

Three until Six O'clock

Casa de la Guerra

Join the Santa Barbara Trust for Historic Preservation in celebrating its major fundraiser of the year at the historic social center of Santa Barbara—Casa de la Guerra. A festive décor will invite guests into a series of food, wine and art stations placed throughout the grounds of Casa de la Guerra. Several fine restaurants will be donating delicious appetizers, many superb wineries will be pouring selections of their finest vintages, and talented local artists will be donating their work for exhibition and sale. Featuring live music—guests will drink, eat, and bid on a fantastic selection of local art and auction items as they stroll through the Casa courtyard.
